Re: **U.S. EPA Training and Technical Assistance for Small and/or Rural Public Water Systems Request for Proposals (RFP)**

At the summer workshop we shared with you our plans to develop a response to a U.S. Environmental Protection Agency Request for Proposals (RFP).

Per your request, we have posted information regarding this RFP on the Section Services portion of the AWWA web site. You'll find this information by clicking on the "[Sections](#)" on the home page of the AWWA web site. Here's the direct link:
