

NSAWWA Policy Waived Registrations for Section Sponsored Events

Due to the diversity of format, venue and other circumstances in the development and implementation of NSAWWA sponsored events, the fees for registration and other contingencies for attendance at these events may be eligible for waiver per this established policy.

Individuals who may be eligible for waiver include, but are not limited to out-of-area speakers, visiting AWWA dignitaries, individuals in charge of organizing training sites or others who provided assistance with the event through in-kind services.

Based on consensus of the NSAWWA Governing Board, the policy for waiving fees for attendance at NSAWWA sponsored events is as follows.

- The waiving of fees for attendance will be at the discretion of the coordinator(s) responsible for organization of any particular event and with the concurrence of a member of the NSAWWA Governing Board. To efficiently and effectively implement this responsibility, the coordinator(s) should establish the waiver of fees criteria for any particular event and seek the needed concurrence prior to the scheduled event.
- A roster of attendees will be submitted to the Section Treasurer or designated representative indicating those individuals for which fees have been waived.
- This policy is not intended to supersede any policy previously established by the NSAWWA Governing Board relative to this issue.
