Subject: NSAWWA YP Pipe Seminar - 9/12

Attachments: yp.9.12.pdf

Good afternoon,

Thank you for signing up for the Nebraska Section AWWA Young Professionals pipe design seminar. I have received the seminar location from Diamond Plastic Pipe, which is as follows:

Platte Valley State Bank, 810 Allen Drive (Grand Island, NE). Take Exit 312 and go north on Hwy #281 until you come to the stoplight at Faidley. Turn right and then take the first left. Platte Valley is on the corner of Faidley and #281, across from Home Depot.

The Bank has asked that you not park on the west side, which is reserved for customers. The meeting room is in the lower level of the bank.

If you know of others who will be attending, please inform them of the location. Continue to invite anyone who may be interested in attending.

Please let me know if you have any questions.

Thanks, Craig
