The American Water Works Association unites the water community to protect public health and to provide safe and sufficient water for all. Your commitment to providing safe water qualifies you for exclusive membership in AWWA.

### **Join today and get three months free!**

Join before April 15 and you'll receive 15 months of membership for the price of 12. That's an extra three FREE months to connect with this powerful community of water professionals.

**Stay informed** on current issues impacting the industry, **learn and grow** from AWWA educational and training opportunities, and **shape how water works** by joining our community of more than 50,000 water professionals.

### **AWWA is your professional organization!**

AWWA gives you the information and resources you need to deliver safe water to your community. But that's just the start of what you'll receive. Here are just a few benefits of membership:

- ▶ **Journal – American Water Works Association**—AWWA's flagship publication features peer-reviewed articles and information about all aspects of the water profession.
- ▶ **Opflow**—A publication that presents hands-on guidance to make a utility's work smoother and more efficient.
- ▶ **News and information** – AWWA keeps you up-to-date on legislative and regulatory changes and provides the collective voice that helps shape the development of legislation and regulations that affect the water profession.
- ▶ **Technical Resources**—The AWWA Store offers more than 600 books, Standards, Manuals of Practice, and electronic products on everything from the effects of climate change on urban water to infrastructure development. Members save up to 33%!

- ▶ **AWWA.org**—Provides instant access to current water news and more than 13,000 articles from past editions of *Journal AWWA* and *Opflow*.
- ▶ **Discounts on Registration**—For all AWWA conferences, workshops, webcasts, and more—giving you the opportunity to connect with fellow water professionals and learn from recognized thought leaders with years of practical experience.

Along with access to the latest industry news and award-winning periodicals, AWWA members learn and build a valuable professional network through volunteering and working with others on committees. These are resources you can use when solving challenges at work or considering a career move.
