

Young Professionals Poster Submittal to National ACE

Sub-committee Motion

9-16-08

Bruce D. & Chris K.

NS-AWWA will appoint a sub-committee (of a committee to be named by the Chair) to identify all YP presenters at the fall conference. Potentially the sub-committee members will be new to that specific committee. This sub-committee will suggest to the board by November 15 the top two presenters.

NS-AWWA's board will invite these two presenters to submit abstracts to either the Young Professionals or Universities Forum by the deadline (typ. in early December).

If the abstract is accepted for either platform presentation or a poster and the presenter informs us of the acceptance by March 10, NS-AWWA will pay up to \$800 of the conference registration and travel costs. The remaining costs will be borne by the presenter's employer.

2008 Annual Conference Presentations given by YPs:

Thursday, November 6

10:30-12:00 – three student papers

11:30-12:00 Torrington, WY Experience with Reverse Osmosis, Jack Baker, Baker and Associates
