Workshop sponsored by the Nebraska Training Coalition

The Role of the Water Operator in Capacity Development

Who Should Attend?
This program will be of benefit to both operators and owners of public water systems, and is applicable to any size water system. The focus of this year’s workshop will be an in-depth look at water operator activities relating to capacity development. This program will provide everyone with information that they can take home to further enhance existing operation and maintenance activities.

Where?
Holiday Inn — Kearney
110 Second Ave.
Kearney, Nebraska

When?
Tuesday, November 6, 2007, beginning at 9 a.m. This is the day prior to the Joint Conference of the Nebraska Section AWWA, Nebraska Chapter APWA, and the Nebraska Water Environment Association.

Cost?
The registration fee of $45 includes lunch.
